Meeting came to order at 7 PM at the Town Hall.

The Commission discussed the recent playground installation project. We were pleased with the success of the community build event. Concrete was poured on Monday Sept 11, 2006. An estimate for sand fill was obtained from Lennon Corps and delivery was set up for this coming weekend. The wood chip playing surface material will be delivered next week after sand placement.

The Commission discussed a possible date for the annual Halloween party. A date of October 28th was decided on with a time of 1 to 3 PM at the school. Deb will contact the school to check availability of the gym and make the necessary arrangements. Deb will also place advertisement in local papers and the Town Newsletter.
